

## Bear Archery to Remain At Least Another Year

By Rod Denley

Officials of the Bear Archery Co. here in Grayling have received no word yet on any proposed changes for the industry, although, they are hopeful that they will receive an answer this week.

There is little doubt at this stage that the company will remain in Grayling for at least another year since any move, according to company officials, would not take place until the last quarter of their production year. With no factory built anywhere else at this time and no word from Victor Comptometer, it appears that the company will be here at least until the fall of 1978.

Robert Kelly, executive vice-president of Bear Archery, has been awaiting word from the parent company and said Monday that nothing has changed from the time the feasibility study on the move was forwarded to the company headquarters in Chicago.

"I expected some sort of answer last week and I feel confident that I may hear from our headquarters this week," he said. Kelly confirmed that the status of the decision has remained the same. He also confirmed that a move would suit the company best if it came during the last four months of the year when production is at the lowest ebb. Since no definite decision has been made on a possible move, there has been no work started on any construction plans for new facilities or offices. Kelly indicated that even if the company did decide to go, all of the construction work would have to be completed first and then if a move was made it would be done gradually over a period of about four months.

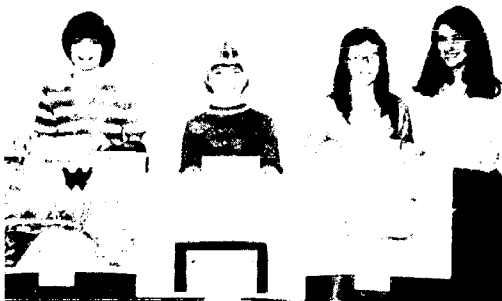

## Rotarians To Present Minstrel Show October 20th and 21st

The Grayling Rotary Club is hard at work on their third annual Minstrel Show, which will be presented Thursday and Friday, October 20th and 21st, in the Joseph Stripe Auditorium at Grayling High School.

The show this year will have a railroad theme. It will feature a chorus, walk on comedy routines, specialty numbers and a lot of foolishness. The New Reformation Band will again be performing this year. The show will start at 8:15 sharp both nights.

There is only one week left to showtime. Anyone may purchase their tickets from any Rotarian, or from Southend Total, City Hall, Bill's Laundry or Rochette's Party Store. The price is \$2.50 for adults and \$1.50 for children under 12. Tickets will also be on sale at the door providing there are any leftover seats available.

All monies raised will be assigned to the Good Work's Fund for the support of Crawford County Community Projects.

TO AID IN THE ADVERTISING of their show, the Rotary Club sponsored a Poster Contest with the Eighth Grade participating. Winners with their works of art are from left: John Huss, Jr., first prize winner, who received \$15.00; Mark Hamilton, 2nd prize of \$10.00; and Penny Anderson, 3rd place winner of \$5.00. At right is their teacher, Mrs. Lynn Thompson. The winning posters will be on display in the vestibule of the Grayling State Bank until after the Minstrel Show.

## Michigan Tax Seminar Set For November In Grayling

by Willard Bosserman, County Extension Director

Michigan State University's Cooperative Extension Service will conduct a tax seminar November 3 in the Grayling High School starting at 7:00 p.m.

Dr. Alvin House, Extension Specialist in Public Affairs, Michigan State University, will be the speaker. He will discuss assessment and how it is done. Equalization is often misunderstood. He will discuss equalization. House will explain how appeals are made and what the chances are of getting a change in valuation. He will also talk about the controversial

[See Seminar on page 10]

**BAGS BEAR WITH BOW**—James Abney of Grayling killed a Black Bear on September 16, the opening day of hunting season, with his bow and arrow. It was the first time he ever hunted. The animal, which field dressed over 400 lbs., was killed in Kalkaska County.

## Red Cross is Not "New" to Crawford County

By Harrison Goodhue

Crawford County Red Cross Chairman

Although only a very few documents of the early days of American Red Cross in Crawford County are in existence, some very interesting history does come to light.

Crawford County Chapter/American Red Cross was chartered June 21, 1917, three years after the First World War had begun in

## GHS Students Participate in Assessment Testing

By Rod Denley

If you have been curious about the quality of education in local schools part of the answer may be on the way.

Grade 10 students at the Crawford AuSable High School have been working on a special set of tests this past week which are specifically designed to evaluate how much basic knowledge they have received by the time they reach their grade level.

"There has been a strong protest by parents all over the country that some kids are graduating without ever having learned to read or do basic math," said high school principal Kent Reynolds in a recent interview. "As a result, Lansing has come up with a set of tests which we are now administering to our grade 10 students. These tests are called the Michigan

Assessment Test (MAT) and are being written by about 180 students."

Reynolds says the exams should show if students have learned basic essential skills that they will need in their adult life such as reading comprehension, simple math, working with fractions and other problems. He expects the results to be available for study by December.

"These tests are obviously a result of the cry for a return to basic education which has been prevalent," said Reynolds. "For a change, what has come to us from the Department of Education in Lansing appears to have been very responsibly done and are things that are going to benefit us without the burden of great costs."

Reynolds said the tests this year will be administered to 300

of the 700 high schools in Michigan. He said the schools involved have all volunteered to be part of the test and said that almost 50% volunteer rate was an indication of how eager the schools were to be a part of such a testing program. "The schools usually do not volunteer to do more work for Lansing; especially when the results may end up in making them look bad," he said.

Reynolds stated that once the tests are refined and worked out by testing in local areas they may even get to the point of becoming a minimum requirement for graduation. While he said they have not reached that stage yet they could in the future. The tests he said are designed differently from most other evaluation tests given to students. Since these are to

## Grayling Airport Now Under Control of County-Twp.-City

By Rod Denley

The final agreements for the local takeover of the Grayling Airport have been finalized and Grayling Air, Inc. has relinquished all control of the operation.

After lengthy negotiations Crawford County, Grayling Township and the City of Grayling have purchased all physical facilities and operations for \$50,000 with the county paying \$25,000 and the other two units paying \$12,500 each.

The final signing of the agreements now makes the county the leaseholder of all facilities according to Ed Lowrie. He has been working on the negotiations for many months. He added that the county will now apply for a full 25-year lease from the government. The original lease was for 25 years but a number of years of that lease have already expired. A full 25-year lease in the hands of the county will allow them to release a portion of the property to the Kirtland Community College for their expansion program. The college, which operates an aviation technician course at the airport, needs a 25-year lease to qualify for a construction grant from the Upper Great Lakes Regional Commission. The grant totals \$122,000 and will be used to double the size of the present school facility. Lowrie said he anticipates no problems in completing these final steps. According to recent reports the college as well has begun their construction plans for the day the final word will arrive on the lease and are confident that the arrangements will be made.

Lowrie said the airport will be administered by a Volunteer Airport Advisory Committee which consists of five members. Chairman of that committee is Bernie Fowler and Howard Taylor is the vice-chairman. Also on the committee are Ron Fraser and Robert Bovee. There is one vacancy.

Lowrie said the new committee is working well already and will report to all three levels of government with recommendations on the operation and management of the facility.

## General Telephone Plans \$8.9 Million Improvement-Expansion for Northern Div.

GAYLORD, October 7—General Telephone customers in 37 northern Michigan and Upper Peninsula exchanges will benefit from the company's \$8.9 million service improvement and expansion plans for 1978, according to Lois Reagan, northern division manager for the company.

Reagan said the \$8.9 million program will provide for both local and long distance telephone service growth and expansion for the 37 exchanges, which includes nine in the

Upper Peninsula.

The service area includes the counties of Alcona, Alpena, Antrim, Baraga, Cheboygan, Charlevoix, Chippewa, Crawford, Delta, Kalkaska, Mackinac, Missaukee, Montmorency, Oscoda, Otsego, Presque Isle, Roscommon and Schoolcraft.

"Virtually all of our customers in those 37 exchanges will benefit by either local or long distance equipment additions and, in many cases, by both", she said.

The 1978 program represents

an average additional investment of more than \$105 for each of the 84,372 telephones served in the area, Reagan said.

Service Growth Budget \$7.1 Million

To meet the increased customer demand for both local and long distance service, we will be making equipment additions within our present central offices and we'll add cable outside," Reagan said.

She pointed out that most of the cable added will be buried or

[See Gen-Tel on page 8]

## MM Church To Re-Consecrate Sanctuary

The Michelson Memorial United Methodist Church will Re-Consecrate their Sanctuary on Sunday, October 16th at a 3 o'clock service in which the public is invited to attend. The Re-Consecration service comes 5 months after the Sanctuary was tragically destroyed by fire.

The Rev. Royal J. Synwolt, Area Assistant to the Bishop for the State of Michigan, will be the speaker. His sermon is entitled "Shaping The Future". The Rev. R. C. Puffer, Pastor Emeritus, will read the scripture and give the Pastoral Prayer and share some comments on the last time the church held a Consecration Service for the Education wing which was built during his ministry in Grayling. The Rev. George E. Spencer, present Pastor of the church will conduct the service.

The Senior Choir will present two anthems "If It Keeps Getting Better and Better" written by William J. Gaither and [See MM Church on page 6]

## River Owners To Meet

Directors of the AuSable River System Property Owners Association will meet for breakfast at 9:00 a.m. on Saturday, October 15 at the Shoppenagon Motor Hotel in Grayling. Members will be welcome for discussion and questions about particular items at 10:00 a.m.

Abner C. Sager

## Ruppe's Aide Here October 19

WASHINGTON — Northern Michigan Congressman Philip E. Ruppe, R-11th District, announced today that his lower peninsula district representative will hold office hours in Crawford County on October 19.

Jerry Newhouse has scheduled office hours from 1:30 to 2:30 at the Crawford Co. Bldg. in Grayling.

Any area citizen wishing to discuss a matter involving the Federal government is invited to visit at that time. No prior appointment is necessary.

## Warning

Inactive Duty Training will be conducted by units of Michigan Army National Guard during the period 12 thru 16 October 1977. The various ranges located at Camp Grayling will be utilized during this period.

The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during the period 12 thru 16 and 18 thru 21 Oct 77.

These ranges will be closed during the above dates and all persons are warned to stay out of these areas.

## 83rd Dist. Court Receives Grant

WASHINGTON—A court probation program serving Crawford and Roscommon counties will continue through a Federal grant, U.S. Rep. Philip E. Ruppe, R-Houghton, announced today.

The Law Enforcement Assistance Administration (LEAA) has awarded the 83rd District Court a \$16,579 grant for the probation program which began in January of 1977. The state will contribute \$921 and the local governments will add \$6,638 towards the total cost of \$24,138.

The objectives of the program include a program for pre-sentence reports in cases involving non-traffic criminal offenses, a provision for supervised probation for 200 offenders utilizing community resources, and the recruitment, training, and supervision of ten volunteer probation officers.

## Former Resident Controller for Texas Div. of Dow Chemical

Roger L. Kessler of Lake Jackson, Texas (formerly of Grayling) was the commencement speaker at Texas State Technical Institute in Harlingen, Texas at the end of the summer session on August 19, 1977. He is the controller and manager for employee relations for the Texas Division of Dow Chemical Co.

Mr. Kessler began his career at Dow's home office in Midland, Michigan in 1959 and has moved up through the corporation's accounting levels to his present position. He is a graduate of Central Michigan University and served as an officer in the U.S. Army's medical service corps. He is very active in business and civic activities in his area.

Roger is the son of Mr. and Mrs. Jerome Kessler of Grayling. He graduated from Grayling High School in 1954 and is married to the former Phyllis Ziebell. They have four children: Lisa, Lori, Michael and Maureen. Both Lisa and Lori attend college at Texas A & M.

**Football**  
 (Continued from page 1)

town Friday night, followed by the annual Homecoming parade at 10 a.m. Saturday with the football encounter concluding the weekend activities.

"It was a great team effort," said Coach Klinger later, "every team member did his job, even those on the sidelines. We were prepared for this game both mentally and physically." He added, "I thought we deserved to win, the boys played with desire and enthusiasm." Even though the coach described his team's play as a "total and dedicated team effort," he did cite some players for especially outstanding play. One was sophomore QB Rocky Tobin who completed eight out of seventeen pass attempts for 111 yards. He had praise also for the interior line consisting of Mike Allen and Tom Weideman at the tackle slots, guards Chuck Golinick, Mark Kibbe, Steve Dean and Mark Golinick, center Chris Ostrander and tight end Bill O'Mara. "They kept the Charlevoix defense off balance," said Klinger, "so Tobin could have the time to pass effectively." Defensively, the coach cited Mark Golinick who has 12 solo tackles while Bill O'Mara, Chip Nicholas, Skip Olsen, Cliff Wheeler, Chris Ostrander and sophomore Mark Kibbe all combined to make outstanding defensive plays.

Grayling's JV squad met Charlevoix on the Red Rader gridiron on Thursday and were defeated, 12-8. That was a super contest too. They'll travel north across Big Mac this Thursday to take on the St. Ignace Fighting Saints with kickoff time set for 6:30 p.m.

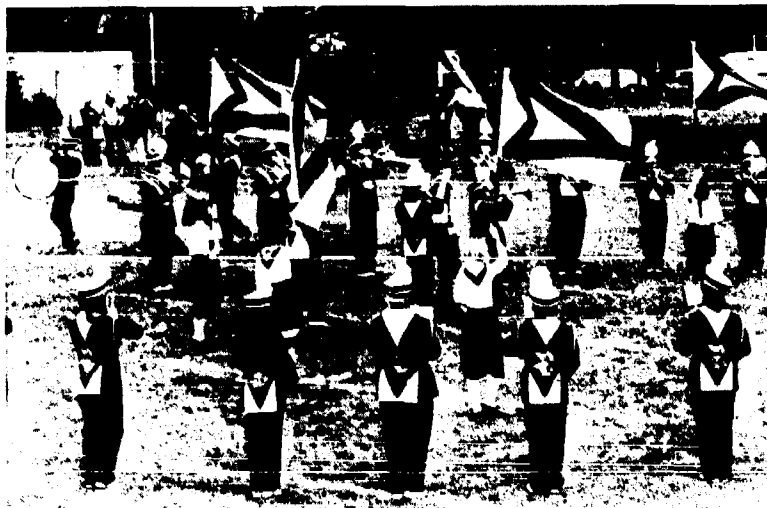

In the Varsity contest, Grayling played a super game and here's how things went: The Vikes kicked off to Charlevoix to get the contest underway and Neil Dziedzic returned the pigskin to the Grayling 46-yd. line. The Vike defense held, though, and the Red Raders punted to Grayling who took possession on the 32. Grayling couldn't move the ball either and had to kick. The Red Raders were stopped again when Mark Kibbe made a great defensive play for the Vikes.

After another exchange of punts, Grayling got the scoreboard clock activated when a Charlevoix fumble was covered by the Vikes on the Red Rader 18-yd. line. Quarterback Rocky Tobin cracked over from the two and even though the extra point was missed, the Vikes were out in front, 6-0.

The pigskin changed hands a number of times during the

**Q.B. ROCKY TOBIN** (black helmet, center) plunges across for Grayling's first TD to push the Vikes ahead, 6-0.

**THE GRAYLING HIGH SCHOOL** Marching Band entertains the crowd at halftime to celebrate the Viking lead.

remainder of the 1st half but Grayling's defense stalled Charlevoix repeatedly and the Vikes walked off the field at halftime with a 6-0 advantage. The Varsity band got the already excited Viking crowd even more enthused with a stirring half-time performance consisting of a series of "Rocky" tunes. The 80 piece band looked and sounded impressive and helped everybody celebrate a great first half effort by the Vikes.

The second half started with Grayling receiving. Both teams butted heads both offensively and defensively and the third quarter was pretty much a punting contest. The Vikes still hung onto a 6-0 lead as the 4th quarter got underway. Charlevoix struck early to take the lead for the first time when a Grayling punt was hauled in by Neil Dziedzic who romped all the way to put the Raders on the scoreboard. The extra point was good and Charlevoix took the lead. After a number of exchanges, Grayling ended up in possession on their own 33-yd. line. QB Tobin threw two incomplete passes but on third down he hit Cliff Wheeler who hauled the ball in and scampered 61 yards for the Vike's second TD. Tim Bitner added the point after and Grayling was out ahead again, 13-7. Charlevoix stormed back to tie the game at 13 all when, on the next series, QB Jim Alger faded back and tossed a 52-yd. scoring strike to Neil Dziedzic. Mark Golinick blocked the extra point and it was all even.

With 40 seconds left in the game and the score still deadlocked, the refs consulted with both coaches about an overtime possibility. It wasn't necessary, however, as Charlevoix tailback Greg Krueger broke through the Vike defense and romped 23 yds. for a go-ahead TD. They added an insurance TD when a last-second desperation Vike pass was intercepted and returned for a touchdown. That wrapped it all up at a decisive, 26-13. It was quite a game. Even the refs said so.

In the JV loss, the Vikes led off the scoring in the 1st quarter when QB Trent Bigler scored on a 25-yd. keeper play off tackle. John Juntilla threw to John Peterson for a successful two-point conversion and Grayling was out in front, 8-0. Charlevoix scored two TDs in the first half to take a 12-8 lead at intermission time. Several halftime defensive adjustments by the Vike coaching staff proved successful in choking off the Red Rader attack in the second

half. Grayling's offense moved the ball to the Red Rader 20-yd. line on several occasions but could not penetrate the goal-line and the second went scoreless with the final score ending up 12-0.

Coach Mires commented that QB Trent Bigler made several nice runs and also played an outstanding defensive game along with Chris Lepsy. Several JV players were in new positions to fill in for others promoted to the Varsity. Mires was pleased with the progress of freshmen tackles Mike Brackenburgh and Jack Robideau.

This week's practice will be spent polishing fundamentals of positions in preparation for Thursday's game at St. Ignace.

**MHS CONFERENCE**

**County Dems To Meet**

The regular meeting of the Crawford County Democrats was held October 10, 1977 at the Township Hall in Frederic. Final arrangements were made for the first Democratic Appreciation Night to be held in Frederic at the Sportsman's Club commencing at 8:00 p.m. Saturday, October 15th. The series of appreciation nights, which will include food, drink and entertainment, is directed towards expressing appreciation to Democratic friends and supporters and extending an invitation to new members.

The next regular meeting has been scheduled for Monday, Nov. 7th in Lovells.

**Amlotte Joins Navy**

Gordon Amlotte, 17, son of Mr. and Mrs. Gordon Amlotte, joined the U.S. Navy on August 19 and will be graduating from boot camp at Great Lakes, Illinois as fireman first class on October 14.

Seaman Recruit Amlotte was singled out of his company and made honorary Chief Petty Officer in charge of religious activities.

Gordon will be going to submarine school at New London, Connecticut for training as a hull technician. This training will include nuclear physics, inter-communications, maintenance of live steam and electronics.

**Frederic News**

by Arlene Kesby

Mr. and Mrs. Charles Rivers of Frederic spent the weekend in Jackson on business. While there they went to Dearborn and stayed with their son and wife, Mr. and Mrs. Robert Rivers and children. On their return home they went around by Wall Lake to visit their daughter, Sandra Rivers.

Mr. Earl Westbrooke of Frederic returned home from a trip to Hawaii with the Senior Citizens Group. He had a superb time taking a helicopter ride over mountains and a volcano.

GRAYLING, MICHIGAN — THURSDAY, OCTOBER 13, 1977

## From Our Corner....

Verily, verily, we have spoken unto you ... only to have you turn your thoughts another way.

We have in the past couple years tried to pass on the wisdom in but a few words that has taken us a lifetime to acquire.

It has been to no avail —

So, I guess we will just have to go back to filling our corner with trivia ... and let the remarks fall as they may.

↑ ↑ ↑  
We do have to bring this up first — only because last Thursday evening we found out we have another reader in Grayling besides our brother and sister.

We attended a Gen-Tel press conference at Hidden Valley (which included orange pop and a steak dinner) in the company of notorious (?) Matheson brothers, Darrel and Elwin, former owners of the Roscommon Herald-News, and Dick Brown, present Editor.

Now, as always, we were behaving ourselves, and just found our place at the long table when we had a tap on the shoulder. Our intruder told us he was the maitre d' (I almost remarked, we'd been asked to leave better places) when he asked if I was Whitey? With a hesitant affirmative, he said he reads our corner and just wanted to know who T. J. was.

We didn't catch Terry's last name ... but we told Dick Barker on our way out he has to be a good man to read our trivia.

↑ ↑ ↑  
We did not wait for Sunday, we chose Friday as the seventh day, and rested, only because we knew we had to stay out past 10 o'clock Saturday night.

You guessed it.  
We attended the annual Boosters Club party — which has to be the finest event of any in the county, because it envelops every sidewalk our people tread.

It was fun, although we didn't care for some remarks about our photography or golf, we wish to assure those individuals we never get mad — only even.

The party was tremendous ... good orange pop ... good program, Jack Alef and Doctor Henig are the best banker-surgeon combination we know (we didn't know they were also stand up comedians) ... good friends to visit with ... good food with Dixie Land music to top the evening off — went right along with the knowledge that President Irvin was still going to be servin' in 1978.

↑ ↑ ↑  
We understand the Rotary Club is planning on trying to entertain us staid folks with some sort of Minstrel Show on Oct. 20-21, that's next Thursday and Friday ... with Friday in mind, we have heard what they do to some of our more prominent people ... somewhat like a roast ... we understand.

↑ ↑ ↑  
The rest of our corner is going to be on a personal basis, you may turn now to the front page and really find out what is happening.

↑ ↑ ↑  
We really are not trying to save a .13c stamp to send a note to California ... our problem is not finding the time to write the note to Dane and Cyd. With that little bit we hope they realize we are thinking of them.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCE OF 23 YEARS AGO

### 23 YEARS AGO October 14, 1954

A baby girl, Sally Lee, was born October 9th, to Mr. and Mrs. Roxie Sparks of Fred-er-

Mr. and Mrs. Ross Thompson of Grayling are the proud parents of a baby girl, born October 11th. The happy grandparents are Mr. and Mrs. Grant Thompson.

Mr. and Mrs. Jack Kaiser of Flint are the happy parents of a baby girl born October 5th at Mercy Hospital.

Miss Ethel Taylor was home from Ferris Institute, Big Rapids over the weekend visiting her father, Floyd Taylor.

Mrs. Emil Giegling and Mrs. R.R. Burns spent Monday in Petoskey.

The Frank LaVack family have moved from the Adelbert Wheeler house on Lake Street into the Max Landsberg house on Spruce Street.

The Sophomore class officers this year are: Robert Sorenson, President; Ardith Dunham, Vice President; Matilda Engel, Secretary and Treasurer; and Genevieve Witkowski class reporter.

Mrs. Peter Lovely, son Richard and daughter, Miss Veronica were in Bay City Saturday on business.

The Crawford County Grange enjoyed a chicken dinner at the farm home of Hugo Schrieber Jr. last Sunday.

Mrs. Esbern Hanson drove to Flint Tuesday and spent the day with her son, Esbern Jr., who is attending the Flint Junior College this

year. She was accompanied by Mrs. George Alexander and returned Wed.

Fred Welsh and daughters Betty and Gail, and son Tom are leaving next week for California to remain a month.

Mrs. T.P. Peterson and Mrs. Alfred Hanson entertained the Women's Home Missionary society at the formers home Wed. afternoon.

Mrs. A.J. Joseph and children Billie and Mary Jane accompanied by Mrs. Louise Connine and daughter Mary Gretchen drove to London, Ontario, Friday. They were the weekend guests of Mrs. Joseph's aunt, Miss Tull.

### 69 YEARS AGO Miss Mollie Johnson

has resigned her position with the Grayling Mercantile Co.

Mrs. George Whipple of Northville is visiting her daughter, Mrs. Olson Corwin in this village for a couple of weeks.

Jas. Hartwick came up from Jackson on the Sat. night train, and will take a little duck shooting on the Muskegon with Olaf Michel-son.

Holger Hanson, the general clerk at the Bank Grocery has been visiting the past week with his brother, Emil, at Hammond, Ind., and Chicago.

The cement walk has been completed on the west side of Peninsular Ave., across Black Lake and is a decided improvement.

Julius Nelson's boy brought in a unique potato which weighed about a pd. and a half with its two legs. It was peculiar in many of its features.

The Douglas Co., of Lovells has moved the house formerly owned by Charlie Lee and the one occupied by George David to the main street.

Mrs. C.E. Hartwick, who will be remembered as one of the oldest settlers of Grayling and the mother of L.W. Colter, came up from her home in Banister, last Sat. for a few days visit. She was greatly pleased with the many changes in our village.

Miss Irene Burton is nicely settled in Alma for her collegiate course and writes home she is well pleased with everything there. She will be missed by many of her Grayling associates.

Rev. A.C. Kildegaard was in town the last of the week and filled the pulpit at the Danish Lutheran Church Sun., to the delight of his people.

Connine and Co. have set the pace for street work, by putting gravel in front of their lots to the center of the street in the way which has been advocated by the Avalanche for the past year. The two main squares of the village, ought to have been finished this season, and we imagine the council will blush every time they see the improvement.

**"Check your business policies — you could be paying twice for the same kind of coverage."**

"You may find you've got two policies that provide the same kind of business protection — and that's one policy too many."

"More than that, you're paying twice. As insurance professionals, it's our job to help you eliminate duplication of protection. We'd probably recommend an Auto-Owners Multi-Peril Business Insurance Policy that puts most coverages into one neat package. And one low premium."

"Why not give us a call. We'll be glad to discuss it with you."

**Auto-Owners Insurance**  
for business owners, too.

## The Bible Speaks

From Calvary Baptist Church

Trumpet Judgments Upon Vegetation, Water, Light & Time.

Rev. 8:6-12

The first four trumpet judgments of God, will drastically effect all life upon earth by partial destruction of some natural essentials we take for granted.

The first trumpet judgment of hail and fire mingled with blood will effect our vegetation pointing to severe famine. "The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up."

Verse 7. The last time God prophesied such judgment it was literal. Read the account of the tenth plague upon Egypt in Exodus 9:18-26. There is no reasonable reason to reject these trumpet judgments as literal judgments which will someday come upon this earth.

The second trumpet judgment will turn one-third of the seas into blood. "And the second angel sounded, and as it were a great mountain burning with fire was cast into the sea: and the third part of the sea became blood." Verse 8. Notice the mountain may be symbolic, "as it were a great mountain", but the appearance and effect are real. It looked like a mountain of fire.

Again we are reminded that the last time God prophesied turning water into blood it was fulfilled literally. Read Exodus 7:19-20. The immediate context also demands a literal interpretation. "And the third part of the creatures which were in the sea, and had life, died: and the third part of the ships were destroyed." Verse 9. Can you imagine the stench of thousands of

square miles of rotten blood filled with millions of tons of dead fish? When a large ship sinks the world takes notice. Imagine one-third of the world's sea going crafts destroyed at once. Think of the staggering loss in human life.

The third trumpet judgment will destroy another one-third of the world's water supply. The water will be made so bitter many men will die from drinking it. "... And many died of the waters, because they were made bitter." See verses 10 and 11.

The fourth trumpet judgment will destroy one-third of the light from the sun, moon and stars. "And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened."

Verse 12a. The day will also be shortened from 24 hours to 16 hours bringing a drastic shift to the behavioral patterns of life on earth. "... And the day shone not for a third part of it, and the night likewise." Verse 12b.

The world which had rejected the green pastures of the good shepherd, the shed blood of the Lamb of God; the sweet waters of eternal life; and the light of God's eternal Word personified in His Son, will ironically face severe physical judgment in each of these areas, plus eternal damnation in a lake of fire. (adv.)

## Grayling Broadcasting Co. Sold

James E. Sylvester, president of Grayling Broadcasting Company and John D. DeGroot, president of Alpine Broadcasting Company, jointly announced today the approval of the sale of WGRY, Radio 1590, Grayling, Mich., by Grayling Broadcasting Company to Alpine Broadcasting Company. The station, which began operations in 1970, is on the air from 6:00 a.m. to sunset everyday with programming geared to the needs of Crawford County.

The actual transfer of management and ownership of the station will take place on Monday, October 31st. Sylvester will continue in the role of engineering consultant for the station, although whether or not he and his family will remain in the area is at this time uncertain.

DeGroot, who started Alpine Broadcasting Company's station WWRM in Gaylord in 1972 and WKZY(FM) in Escanaba in 1976, also announced the promotion of William F. Jones to the position of operations-sales manager for WGRY, a position Jones had held in Escanaba. He will reside in the Grayling area with his wife, Doreen, and son, Matthew. Jones, 30, is a graduate of Michigan State University and served two tours of duty in Vietnam during the American involvement there. His wife, Doreen, is a registered nurse. They will be arriving in the area later this month.

DeGroot stated that he plans to take an active role in the operations of the station and its

### Students

[Continued from page 1]

measure minimum requirements they stop testing a student's ability at a minimum level. Most evaluation tests are designed to challenge even brighter students since there would be questions on a typical math exam that even the brightest student would find difficult. On these tests however a very bright student would be able to do the whole test easily if their background in the test areas are solid, he said.

Reynolds says he was very surprised as well as to the amount of input that the State Curriculum Committee has allowed the principals to give to the testing program. Reynolds said he was one of the principals from the Michigan Association of Secondary School Principals which looked over the proposed tests and were allowed to make a number of changes which, to his surprise, were accepted by Lansing. "There were a lot of things in the tests that we felt were not necessary as part of basic skills testing. In the original tests the state had included a lot of algebra and geometry. We felt that heavy algebra and extensive geometry are not part of the basic skills that most adults will need when they go out to get a job. The average person does not use a lot of algebra in their daily life but they do need math and reading skills."

Reynolds said some parts of the exam, in the original stages, were typical of "some of the ivory-tower type thinking that comes from Lansing education departments..." He singled out one part of the exam which was eventually discarded. "It was a series of photographs and each one had four different titles under it. The object was to pick out the most appropriate title. They had stuff in there that was just incredible. Some of it was so hard that a lot of the committee members who studied the test flunked some of the sections." Reynolds said he was very glad that the state had given the educators in the schools some opportunity to have an input into the tests and insure that the tests could validly test the basic competence of students rather than being a quiz for the gifted students of the state.

The tests consist of 175 questions which cover 44 different objectives that a student should have reached a competent level on by the time of reaching grade 10. There are four questions related to each objective and the results, "should show up the weaknesses of the students and our program. By administering these tests at the Grade 10 level we have plenty of time to work with each student and their parents on the areas they are having troubles with in school. This allows us enough time to bring those students up to par before they graduate to go on to college or go out to work. If the tests show kids having a lot of problems in a particular area then that will show us where we have to do the work on our program. If for instance the majority of the students failed on the section of working with fractions then we would know that this is one area where our program is weak and needs additional work. We hope to be able to work with the parents of the students in helping their children improve their basic skills."

Reynolds said the results will come about December and will be given to each of the students. The scoring of the tests is being done by a firm in Iowa which specializes in this sort of work. The data will be sent as well to the school board here for their assessment.

**TO THE RESIDENTS OF GRAYLING TOWNSHIP**  
PLEASE BE NOTIFIED that there will be a public hearing at the City Hall, 103 James Street, Grayling, Michigan, at 7:30 p.m., November 1, 1977, of the Township Planning Commission on rezoning in Grayling Township, Crawford County, Michigan.  
The following change of zoning will be considered:

CASE No. 77-6—Glen Terry, applicant, has requested rezoning of property located near the SE corner of Danish Landing and M-72 West and described as: the E 200' of the N 200' of the NW 1/4 of the SE 1/4 of Sec. 10, T 26 N, R 4 W, from present zoning classification of R-3 to C-2 for the purpose of highway business or such other purpose as permitted by such proposed new zoning.

CASE No. 77-7—Grayling Township Planning Commission, applicant, has requested rezoning of property located on the south side of M-72 West near Eagle Point and described as: Lots 43 through 46, Block 2, Portage Lake Park, 5th Addition, Sec. 9, T 26 N, R 4 W, from present zoning classification of C-1 to R-3 for residential use.

Tentative text and zoning maps may be examined at the Township Office during regular business hours.

ELIZABETH H. WIELAND  
Township Clerk

## Alumni News

**By Clara Sorenson**  
I have a bit of information passed to me by Virginia Skindley Mithun. She and her husband, Leroy, are G.H.S. Alumni, plus 7 children and 1 grandchild. The mothers of both had attended the old high school at the time of the fire. She is one of our Directors.  
Final plans are shaping up for our Homecoming on Saturday night. Next week I will have lots of news for you. Lots of Alumni are coming from out of town, hoping to see their former classmates.

## Health Agency Endorses Mercy Hospital Expansion

Proposals for several million dollars in health care for Northern Michigan were recommended for approval by the Board of Directors of the Northern Michigan Health Systems Agency on Wednesday, October 12, 1977. The Agency is the designated health planning and service agency for Northern Michigan.

A \$7,497,000 proposal by Mercy Hospital of Grayling for expansion and renovation was endorsed. The proposal calls for an additional 22 extended care beds, as well as additions to the radiology, laboratory and operating suites. The recommendation will be sent to the Michigan Department of Public Health for final action under the provisions of the State's Certificate of Need Law.

The Board also voted to endorse a request for federal grant to Regional Health Care, Inc. in the amount of \$1,316,480. Part of the funds will support a health clinic for the poor in the Manistee area.

In other action, the Board reviewed comments from the recent Public Hearings on the

Draft of Northern Michigan's first Health Systems Plan. Final action was postponed until a report from the Agency's Planning Committee is prepared.

In the final action, the Board requested that area residents send materials and evidence to the Agency that may be useful in drafting a response to the proposed "Guidelines for Health Planning" developed by the Department of Health, Education and Welfare. The Guidelines appeared in the "Federal Register" of September 23, 1977. When finalized, all HSA's throughout the country will be required to adopt the guidelines as criteria and standards in developing local health plans. Therefore, the Agency is seeking alternative formulas and criteria, with appropriate supporting argument, to present to the Federal government. The current proposed Guidelines include criteria for determining Hospital Bed Needs, Obstetrical Services, Hospital Occupational Services, Pediatric Services, Open Heart Surgery, Radiation Therapy and other services. Comments should be sent to the Agency by October 29, 1977.

**March of Dimes Walkathon**  
Pictured are Jerry Hawkins of Grayling, 1st place winner in the Walkathon and Kimberly Sue Labo, three years old, also of Grayling, the youngest walker. Jerry completed the 17 mile distance in three hours on Saturday, October 1st. Kimberly walked four miles, which is a pretty good hike for someone of her age.

Thanks to everyone who has helped in any way to make the Walkathon a success. Keep watching the Avalanche for further articles giving the amount of money collected and what it will be used for.

Sally Hartig  
N. Central Chapter,  
March of Dimes

### CARD OF THANKS

I would like to thank Dr. Steinhilber and the staff on the 1st floor for the care I received while in the hospital. Also for the cards and plants.

Karl Golinick

## Bits O' Talk

by Fay Boyce

With the college crowd: Marie Sorenson, a senior at MSU, is doing her student teaching in first grade at Central Elementary School in Traverse City.

Holly Knibbs, daughter of Mrs. Mary Jane Knibbs is a senior at MSU.

Tina Henig, daughter of Dr. and Mrs. B. E. Henig, is a senior at MSU.

Tanya Sojka is a freshman at MSU. Chris Sojka is a senior at MSU, and Paul Sojka is in graduate school at MSU. Their parents are Mr. and Mrs. John Sojka.

Janice Gates, daughter of Mr. and Mrs. Jack Trudgeon is attending Lansing Community College.

Mike McNamara is in graduate school at CMU. Mary Liz McNamara is a senior at U of M. and P.J. McNamara is a junior at Ferris State. Their parents are Mr. and Mrs. Larry McNamara.

Mike Hoffman is a senior at CMU while John Hoffman is a sophomore at CMU. They are the sons of Dr. and Mrs. Ralph Hoffman.

Paula Hunter of Lansing Community College spent the weekend with her parents, Mr. and Mrs. Les Hunter. The previous weekend the Hunters and their daughter, Gail, of Atlanta, Ga., went to Minneapolis, Minn. where they visited another daughter, Mary Kay Hunter, who is employed at the Guthrie Theatre. While there they attended a play of which Mary was the stage manager and production manager.

Dutch and Effie Geister of Clio spent the weekend before last visiting her brother and wife, Bill and Opal Hunter.

Mr. and Mrs. Larry McNamara spent the weekend in Saginaw where they attended the wedding of her nephew, Tom Switek. Shannon and Riley accompanied them and they were joined by P.J., Mary Liz and Mike.

## Fire Prevention Week Oct. 9-15

## Greater Fire Safety Awareness Reduces Death And Injury Rate

A fire breaks out every seven minutes in Michigan. One person dies every day as a result of fire in Michigan. Three-quarters of these deaths occur in residential occupancies and more than one-third of those victims were asleep at the time of the fire.

The Michigan Association of Insurance Companies notes that many of these deaths and fire-related injuries could be eliminated if the public was more aware of fire safety measures.

The best safety measures to prevent the tragedies of fire is to eliminate fires before they start. But when fire does strike there are several things to remember:

1. Avoid smoke asphyxiation by crawling or crouching below the smoke.
2. Check all doors before you open them. If it is hot, don't open it. Intense heat or poisonous fumes could kill you instantly.
3. In a frying pan fire, smother the flames with the lid or Baking Soda. Don't use water or flour, which may cause the fire to explode.
4. Never try to put out an electrical fire with water.
5. If your clothes catch on fire, don't run for help. Drop to the ground and roll around or wrap yourself in a blanket or rug to smother the flames.
6. Make sure everyone is aware that there is a fire.

Scream, holler, bang on walls, etc.

7. Never re-enter a burning building.

8. Don't jump from a window unless absolutely necessary. Help is usually on the way.

9. Don't panic, remain calm. Go to the pre-arranged meeting place outside and wait. That way you can tell the firemen if

anybody is still trapped inside.

10. Call the fire department. Keep the phone number of the fire department near the phone.

Fires killed 358 persons in Michigan last year. But if everyone practices fire prevention that number can be reduced. Just don't forget, fire prevention is a full-time job.

## Increased State Funding of Local Dial-A-Ride Programs

LANSING — Dial-A-Ride service in Crawford County will receive a sizeable financial boost from the state if legislation today introduced by State Senator David A. Plawecki, (D-Deerborn Heights), is signed into law.

Plawecki's legislation increases the state's funding of local Dial-A-Ride systems from one third to one-half of their operating costs. Passage of the measure will mean an additional \$15,000 for small bus systems in Crawford County.

"My legislation," explained Plawecki, "is designed to provide more state assistance to small bus systems since no federal dollars are available for this type of service."

"Unlike most other public

transportation programs, federal funding is not available for Dial-A-Ride systems," noted the Senator.

Plawecki added that he is hopeful that the state awards will "encourage the continued growth and expansion of Dial-A-Ride systems in cities and communities throughout our state."

"While the operating costs of most of these systems have risen significantly since Michigan's program began in 1974, the state's support of the small buses has not increased accordingly," said Plawecki.

"Local communities have demonstrated their commitment to these systems by approving the local funding necessary to continue operation and I believe the state should indicate its support as well," noted Plawecki.

In addition to the increased state assistance to established Dial-A-Ride programs, the state will continue to fully fund all of the capital and operating costs for the systems in their first year of service, said Plawecki.

## District Court

The following appeared before Judge Francis L. Walsh in the 83rd District Court last week:

Donald Reeves Kissick, age 30 from Waterford, pleaded guilty October 4th to a charge of impaired driving. Kissick was sentenced \$185 fine or 14 days in jail. The arrest was made by the City Police.

Jeffery E. Fegenbush, age 17 from Grayling, demanded a preliminary examination to a charge of larceny from an auto. Bond of \$1000 was set. The Sheriff's Dept. arrested Fegenbush.

## OES to Hold Installation

At the regular meeting of Grayling Chapter #83, held on October 5th, it was the time for annual reports and election of officers. We extend our heartiest congratulations to our retiring Worthy Patron, Hazel Carver, and retiring Worthy Patron, Clive Marshall; for a successful and most interesting year. They, and many other members, have been very busy with many projects and many visits to other chapters.

Installation of the newly elected and appointed officers, is set for Friday, Oct. 21, 1977 at 8:00 p.m. at the Masonic Temple.

Those elected are: Worthy Patron, Elsie Jansen; Worthy Patron, Donald Jansen; Associate Patron, Lillian Houghton; Associate Patron, Robert Houghton; Secretary, Juanita Molnar; Treasurer, June Ryan; Conductress, Virginia Millikin and Associate Conductress, Velda Marshall.

Other appointed officers to be installed are: Chaplain, Hazel Carver; Marshall, Ruby Reetz; Organist, Jennie Annis; Adah, Sharon Allen; Ruth, Mildred Hoy; Esther, Madeline Kucharek; Martha, Mildred Bristol; Electa, Ethel VanNocker; Warder, Annabelle Armstrong and Sentinel, Sharon SanCartier.

Flag Bearers: Wilma Sunday and Bernice Winston.

Membership in the Order of the Eastern Star is not required to attend the Installation of new officers, and we cordially invite members and friends to spend the evening with us at the Masonic Temple.

## Dentists and Serpents

Two young ladies were discussing their fathers. One boasted that her "daddy is a dentist." "That's nothing," replied the other. "my daddy is a civil serpent."

## The State Says:

**"Whatever Solution Is Found If Your  
Millage Fails To Pass Again Will Not  
Save You Money...It Will Cost You."**

Some of the alternatives if we vote down the millage a 3rd time, the State could require us to:

1. Dissolve Crawford-AuSable Schools. Students would be bused to Otsego and Roscommon County Schools. We would then be taxed at the rates of those districts. Plus we would have the added busing costs. Probably cost us far more than our own millage would cost.
2. Borrow money from the state to keep our schools open. We would then be required to pass not only operating millage but additional millage to pay interest on the loan.
3. Operate our schools at a reduced-hour schedule. We could do this briefly until the money ran out. But our students would later be penalized by the state by having to make up the lost time. Do we really want to punish our children? Whatever the State decides it would be their choice, not ours.

**LET'S NOT LOSE CONTROL  
OVER OUR SCHOOLS!**

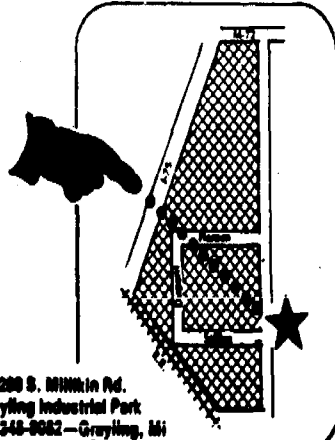

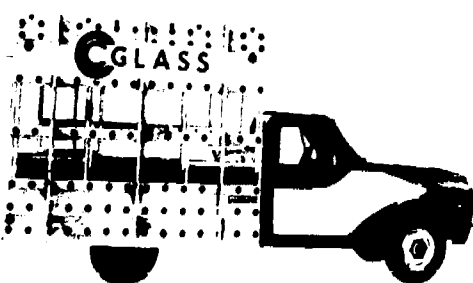

**VOTE "YES" OCTOBER 24**

## Deadline Extended to Apply For FmHA Emergency Farm Loans

The U.S. Farmers Home Administration (FmHA) has extended to December 2 the deadline for farmers in Wexford, Missaukee, Crawford, and Kalkaska counties to cover losses caused by this year's drought and other natural disasters. The agency's County Supervisor, Allen F. Reinke, said the extension has been ordered by Secretary of Agriculture Bob Bergland for applications under drought or other emergency loan-eligibility designations that would expire before Dec. 2, provided the designations are based on disasters that have occurred on or after July 1, 1976. The Secretary's action was taken under requirements of recent emergency loan legislation (PL 95-89) signed by President Carter.

### CALENDAR OF EVENTS

Oct. 17: Christmas in October. Pot luck dinner at 8:00 at the Grayling Moose Lodge. Bring a dish to pass.  
Oct. 18: The Frederic Historical Society Board Meeting, 8:00 p.m. at the Frederic Town Hall.  
Oct. 19: A Frederic Business Association meeting, 8:00 p.m. at the Frederic Town Hall.

Farmers lacking other sources of necessary credit may apply to FmHA for loans to offset losses or revive farming operations. Under the schedule of interest rates as revised by PL 95-89, loans are made at a rate of 3 percent on the first \$250,000 borrowed against actual loss, and 8 percent for loans not based on loss but needed to continue farming or make major adjustments in farm operations. Allen Reinke said extension of earlier deadlines will give farmers whose crop returns are determined late in the year a better opportunity to assess their losses and credit needs, and enable FmHA to speed completion of work on applications now pending that need immediate processing.

FmHA emergency loan applications from farmers in Wexford, Missaukee, Kalkaska, and Crawford counties are received at the agency's county office located at 2170 S. Morey Rd., Rt. 3, Lake City, Mi. 49651. Surprise visitors at the Robert Bovee home last week were Mr. and Mrs. Robert French of Foster City, Cal. Mrs. French is the former Shirley Kiely of Roscommon. She and her husband were college friends of the Bovees.

### BUMPER STICKERS

### Bits O' Talk

by Fay Bovee

John Kasper of Davison visited his mother, Mrs. Joseph Kasper, for five days and also did some bow hunting.

Tom Wakeley was released from Mercy Hospital Friday, October 7th, where he had been a patient for the past 10 days. He returned to Timberview Village. On Sunday, his daughter, Bessie Willis of Boone, visited him at the hospital and Mrs. Wakeley at Timberview. Visitors at the home of Mr. Alice Madsen and daughter, Pat, on Wakeley Bridge Rd. Sunday were Mr. and Mrs. Wesley March of Houghton Lake and his mother, Mrs. Aaron DeLauder of Harrison. Monday, Mrs. Reuben Liskum and Mr. and Mrs. Lewis Lacke of Bellaire spent the afternoon visiting.

Jessie Smock of Park Street entertained her niece and nephew Mr. and Mrs. Ed Kelly, of Livonia, over the weekend. Ms. Dena Bovee is spending the week in Marquette with Ms. Bobbie Weesen at the home of her parents, the Colonel Weesens.

New Youth for Understanding representatives Mr. and Mrs. Jim Rodabaugh of Traverse City and Mrs. Tom Weede of Roscommon met with the local committee in Grayling on Thursday evening. Former committee members are Mrs. Robert Bovee and Mrs. Carol Wirt and new committee members are Mrs. Phil Townley and Mrs. Norman Feldhauser. School liaison is Ms. Chris Smith.

Joe and Joyce Ely of K. I. Sawyer A.F.B., Mich. are the proud parents of a daughter, Kristy Jo, born October 7th. The little lady weighed 7 lbs. 13 3/4 ozs. The grandparents are Joe and Evelyn Ely and Mike and Joyce Ingalls.

### Mercy Hospital News

The following was admitted to the hospital during the past week. Faith Johnson of Grayling. Those released were Adam Bushey, Julia Press, Florence Janson, Arthur Hoffman and Faith Johnson, all of Grayling; Eugene Kaiser and Hazel Dunckley of Frederic.

A son, Mitchell Louis, was born to Mr. and Mrs. William Martindale of Roscommon on October 8, weighing 8 lbs. 1 oz.

### C. F. CAMPAIGN

I wish to thank everyone who helped on the Cystic Fibrosis Door to Door Campaign in Crawford County. We collected \$803.85 and I couldn't have done it without everyone's help.

I would especially like to thank the 22 volunteers who went door to door in September. With their help, we collected almost double of what was collected last year. Also I would like to thank the R.S.V.P. for their help in allowing volunteers to drop money off there when I wasn't home. A special thanks to all of you.

Jeanie Harwood

### Frederic Community Library

Halloween is just a few days away and we have the following books for the children to read: "Willie, Willie the Wistful Witch" by Ruth Blair, "Old Witch Rescues Halloween" by Wende Devlin, "How the Spider Saved Halloween" by Robert Krause, "Gus Was a Friendly Ghost" by Jane Thayer, "In a Pumpkin Shell" by Joan Anglund, "The Goblins Will Get You if You Don't Watch Out!" from a story by James Whitcomb Riley, "It's the Great Pumpkin Charlie Brown" by Charles Schulz, "Georgie's Halloween" by Robert Bright, "The Magic Pumpkin" by Gloria Skurzynski, "Dorie and the Halloween Plot" by Patricia Coombs, and "Witches, Ghosts & Goblins" by Ruthann Long.

Be sure to turn in your Glen's Market grocery tapes, and Coke, Tab, Fresca, and Sprite bottle caps. The proceeds we receive from these items helps the library.

The fall library hours are Monday through Friday, 10 a.m. to 6 p.m.

Merna Newberry

### Lovells News

by Ruth Caldwell

Number of friends and relatives attended an open house at the home of Mr. and Mrs. Tom Morris honoring them on their 50th wedding anniversary. Congratulations and best wishes.

Cheerful Givers Club will meet Thursday evening at the club room.

Mr. and Mrs. John Billmeyer and family of Saginaw spent the weekend with her parents, Mr. and Mrs. Tom Morris.

Mr. and Mrs. Douglas Orr spent the weekend at their cabin.

Mr. and Mrs. Abbott Walker enjoyed having her sister and husband of Mt. Clemens visiting them the past few days.

## Many Sides

Richard Milliman

Bert Lance has gone from government, at least for now, but the influence of the Bert Lance case will linger on for some time to come.

The Lance case points up a number of complex questions, such as these: Citizen participation in government. The proper role of the press in monitoring government. Ethics and standards in business, in government, and in the interplay between the two.

That's just for starters. There also are the political questions involved, such as what it means for President Carter's administration, particularly in his relations with Congress as well as with the electorate. Actually the political questions are the simpler ones.

Various writers, in the past several weeks, have approached all these questions, and some of their comments merit attention.

George Will, political editor of National Review, dipped his typewriter ribbon in acid when he wrote in his syndicated column of some of the political fallout, to wit:

"To be fair, Lance's record would not arouse such interest were he not serving the president who invented ethics. But suddenly Carter seems to have taken off the awful burden of a lot of shining armor. He did so when he proclaimed himself proud of Lance because the government report found Lance guilty only of 50 violations of the regulations, and various other unwise and unsound practices. Carter seems to have grown weary of being custodian of the Ten Commandments."

Joe H. Stroud, editor of the Detroit Free Press, expressed concern about what the Lance situation might mean for other citizen-government officials:

"There is always the possibility that we will devise standards so exacting that only people who have never done anything at all can survive the puritanical tests."

"Michigan is still trying to find the right formula for government conflicts of interest for public officials. It is a fine judgement, and we ought to be tough about the standards we draw. But we should remember—particularly at the sort of citizen-volunteer office level, such as a school board member—that it is easy to err on the side of toughness. We will need to use some common sense, as well as a sense of common decency."

"In the end, though, we have to realize that attempts to govern political ethics wind up having to deal with

Lance case is a complicated one, raising many questions

appearances, as well as reality. What seems to be almost as important as what is."

Like many other bankers and businessmen, Brandon C. White, president of the Clinton National Bank in St. Johns, Mi., is concerned that the congressional response to the Lance case will be more laws and regulations. White whipped off a letter to the appropriate congressmen, with these views (among others):

"Assuming that Mr. Lance actually did the things he has been accused of, I, for one, protest at being asked to hang with him..."

"What Mr. Lance has been accused of is not a common occurrence in banking although it obviously does happen. Laws are on the books to prevent it or punish it. We don't need more laws or more harassment, more forms to complete, or more implication that such conduct is widespread."

I presume he was told to stop. If he did not stop, it was not the fault of the rest of us in the banking industry. If the comptroller backed off for political reasons, you should find your solution in Washington. In no case should the burden of guilt be switched to me or thousands of honest, dedicated colleagues."

Then there's the role of the press in the whole Lance affair. As in most similar cases, the press comes in for both praise and blame.

Joseph C. Harsch, in the Christian Science Monitor, saw it this way:

"In one sense, Lance himself has been a victim of Watergate. The American press in general was accused during the Watergate era of being unfair to Republicans. Once the Democrats were installed in Washington it became necessary for American editors and reporters to prove that they could be just as critical of Democrats."

Staunchly championing of the press, as could be expected, was Editor and Publisher magazine, a trade journal, in face of some Congressional criticism.

"Why do intelligent men and women in Congress persist in believing that whenever the press publishes scandalous information about people in public office, it must be lying for some ulterior motive?"

"Some one, some day, is going to accept the fact that the press has everything to lose by printing lies—and every responsible editor knows that."

Yes, the issues involved in the Bert Lance case are complex ones, and the ultimate answers still are not known.

On Saturday, September 17, at St. Mary's Catholic Church, Laura Feldhauser became the bride of Robert C. Miller. Rev. Thomas A. Neis officiated at the one o'clock ceremony before about 200 guests.

Laura is the daughter of John Feldhauser of Grayling and Mrs. Dorothy LaMarre of Roscommon. Robert's parents are Robert L. Miller of Swartz Creek and Mrs. Virginia Laurent of Grayling.

Dried flower arrangements in autumn colors served as decorations. Mrs. June Feldhauser, aunt of the bride, presented several musical selections and Steven Dawson, brother-in-law of the bride, gave the bride away.

For her wedding, Laura wore a floor length gown of quiana and velvet lace, featuring a fitted bodice with an open yoke surrounded by lace with pearl accents. It had a choker band of lace at the neckline, long fitted sleeves with lace cut-work and a flared skirt which swept into a chapel train. To complete her attire, she wore a matching lace edged waltz length veil secured to a Juliet caplet and carried a bouquet of peach colored silk roses.

Matron of honor was Gayle Dawson of Cadillac, sister of the bride. Bridesmaids were Crystal Davis of Grayling; Diane Johnstone of Lansing; Genevieve Shepherd and Cheryl Goinick, both of Traverse City. They wore quiana halter style gowns in spice color with a diamond design at the bodice and V-necklines. They were topped with below the waist capes and they each carried a single peach silk rose.

Serving the groom as best man was Kim Rentschler of Grayling. Other attendants were Larry Miller of Lennon, uncle of the groom; James Richards of Burton, brother-in-law of the groom; Rodney Lobsinger of Grayling and Steven Dawson of Cadillac, brother-in-law of the bride.

A reception was held at Auman's House of Catering with the theme of fall colors carried out.

Following a two week honeymoon trip to Florida, the newlyweds are making their home at 504 Ottawa, Grayling.

For her daughter's wedding, Mrs. LaMarre chose a floor length gown of lemon yellow with a flowered print and green accessories. She carried an orange silk rose corsage on her purse. Mrs. Laurent wore a floor length gown of aqua chiffon for the marriage of her son.

The new Mrs. Miller is a graduate of Grayling High School and Kirtland Community College. Her husband is also a graduate of Grayling High School. He also attended Kirt-

### Kiwanis Golf Winners

Apologies to the Kiwanis Golf Tournament winners but due to human error and the absent-mindedness of the Kiwanis publicity chairman, the list of winners is only 48 days late.

Low Actual — Carl Henry Nielson.

Low Team Net — Dick DuBois, Dale Pettingill, Vern Gardner, C.H. Nielson.

Low Team Gross — Bob Schwarz, Bruce Smith, Ken Gothro and Dale Melroy. Longest drive on #5: Jim Granlund.

Closest to the Pin on #3: Jeff Richmond.

Closest to the Pin on #8: Roger Hatfield.

Door Prizes were won by: 1 set Clubs, Art Clough; 1 Golf Bag, Tom Kiepert; 1 Dozen Golf Balls, John Maun.

Kiwanis-Rotary Match was won by the Rotarians.

**MASHING CIDER IN SCHOOL**—Can children make cider? Yes, Mr. Brigham's second grade class in Grayling Elementary School made some Tuesday, October 5th. It took the children from after lunch recess until they went home, approximately two hours and forty-five minutes. Each of the children brought some apples and all together they had more than a bushel of green and red apples. Then the children put the apples in water and washed them. They put them in the grinder and each child took turns. Each child took five or ten minutes. The grinder was about sixty years old. Mr. Brigham only showed the kids how to do it. Jerry Gauthier was startled when the picture was taken.

Written by Kathleen Marie Allen and Lorian Marie Pfaff, fourth grade

## YOUR WEEK AHEAD By DAMIS

Forecast Period  
Oct. 16 - 22, 1977

- ARIES** Mar. 21-Apr. 19 Partnership matters, misunderstandings and disagreements could be the keynote this week. Defer decisions a few days.
- TAURUS** Apr. 20-May 20 Difficulties in communication with employers or co-workers interfere with efficiency on the job.
- GEMINI** May 21-June 20 Burning the candle at both ends can be a lot of fun but you must pay the consequences. Is it worth it?
- MOONCHILD** June 21-July 22 Conditions at home may be a bit upset, resulting in confusion and misunderstanding.
- LEO** July 23-Aug. 22 Take special care that messages and directions are carefully transmitted. Avoid the neighborhood gossip.
- VIRGO** Aug. 23-Sept. 22 Come on Virgo—why all this undue concern over financial matters? You know your needs are always met!
- LIBRA** Sept. 23-Oct. 22 You can't afford to take an uncompromising stand where loved ones are concerned. Make minor concessions.
- SCORPIO** Oct. 23-Nov. 21 Responsibilities seem to close in on you. Use your strong mental discipline and fight off the depressive tendencies.
- SAGITTARIUS** Nov. 22-Dec. 21 Friendly advice may prove to be unwise. Delay starting new projects for now, and stick with what you're sure of.
- CAPRICORN** Dec. 22-Jan. 19 It's best to delay resolving important issues for a few days. A poor decision now brings future repercussions.
- AQUARIUS** Jan. 20-Feb. 18 News from a distance is not as dismal as it first seems. The brighter side follows closely.
- PISCES** Feb. 19-Mar. 20 Dreams of a psychic nature are a distinct possibility. You may find the answer you've been seeking.

Personality Profile: For your Sun Sign Analysis, send the day, month, year and place of birth plus \$1.00 for postage and handling to Dr. Dams Staff, P.O. Box 526, Pinellas Park, Florida 33565

## Road Commission Minutes

September 30, 1977

A regular meeting of the Board of Crawford County Road Commissioners held in their office. Chairman Millikin presiding. Members present, Commissioners LeRoy Millikin and Grover Carson, Engineer Manager John M. Keir and Secretary Lorna M. Bernard. Absent, Commissioner Ervin E. Richter.

The minutes of the last meeting were read. A motion was made by Comm. Carson, supported by Comm. Millikin that the minutes be approved as read. All voted in favor, motion carried.

Voucher No. 639 covering Payroll No. 20, in the amount of \$18,413.77 and Vouchers No. 640 to 654 covering Materials in the amount of \$3,758.38 were presented for approval. A motion was made by Comm. Millikin, supported by Comm. Carson that Vouchers No. 639 to 654 be approved and warrants drawn in their respective amounts. Motion carried.

Mr. Edwin Martindale of the Crawford County Commissioners appeared before the Board.

An application for permit from Top O' Michigan Rural Electric Company for permission to set pole at 32' of center line of Deward Road and install underground electric line was received. The permit was approved and signed by the Board.

An application for permit from Consumers Power Company to install single phase secondary under blacktop road and within road right of way in Grayling Mobile Home Estates #4 was received. The permit was approved and signed by the Board.

A trip of inspection was made on Old 27, Batterson Road, May Lake Road, Calkin Road, White Road, Sherman Road, Scenic Trail, Jones Lake Road and Wilcox Bridge Road.

Upon returning to their office a motion was made to adjourn. All voted in favor, motion carried, meeting adjourned.

LeRoy Millikin, Chairman  
Lorna Bernard, Secretary

## Legal Notice

### Notice of Mortgage Foreclosure Sale

Default having been made in the conditions of a certain mortgage made the 24th day of June, 1974, by James W. Moore and Greta G. Moore, as mortgagors, to the United States of America, as mortgagee, and recorded on June 25, 1974, in the office of the Register of Deeds for Crawford County, Michigan in Liber 136 of mortgages, pages 119-122; on which mortgage there is claimed to be due and unpaid at the date of this Notice Six Thousand Nine Hundred Ninety-Six and 28/100 dollars (\$6,996.28) principal and One Thousand Nineteen and 58/100 dollars (\$1,019.58) interest, no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default;

NOW, THEREFORE, Notice is hereby given that on November 23, 1977, at 10 o'clock in the forenoon, at the Front Steps (East Side) of the Courthouse in Grayling, Michigan, that being the place for holding the Circuit Court for the County of Crawford, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit:

That property located in the County of Crawford, State of Michigan, Lot 77 and the West 1/2 of Lot 78, Clough's Highland Acres, Grayling Twp., Crawford County, Michigan. The redemption period will be six months from the time of such sale. Property may be redeemed by paying the amount bid at the foreclosure sale plus 7% interest and any unpaid encumbrances on the property from date of sale.

Dated: October 5, 1977.

## New Books At The Library

Six memorial books were placed on the library shelves in September. Mr. and Mrs. Bob Joyce donated: "All Things Wise and Wonderful" by Herriot for John Solomonson; Mrs. Robert Legner gave "The Atlas of Michigan" by Sommers for Robert Legner; From Cornell's (Clyde Borchers and Paul Thomson) "Cry Wolf" by Smith for Gerald Blaine; "Thorn Birds" by McCullough for Esbern Hanson Jr.; "Dynasty" by Elegant for Philip Alef; and "The Honorable Schoolboy" by LeCarre for Raymond Wylie.

Donations from Lois Ford were "Special People" by Eisenhower; "The Right and the Power" by Jarowski; "The Newscasters" by Feinman; and "The Country Life Book of the Royal Silver Jubilee" by Montague-Smith.

Some of the new children's books purchased for the library are "Wispie, the Little Witch" by Verney; "Theodore and the Talking Mushroom" by Lionni; "Jasmine" by Duvoisin; "Little Bear Learns to Read the Cookbook" by Janice and "Dorrie and the Halloween Plot" by Coombs.

Recent visitors to our building from the Crawford AuSable Schools have been Miss MacDonald and her sixth grade class and Mrs. Bovee and her fourth grade class.

Winter hours for the library are Weekdays, 12:00 to 5:00 and 6:00 to 8:00. Saturday, 10:00 to 2:00.

Rose Duley  
Librarian

## Legal Notice

**STATE OF MICHIGAN**  
In the Circuit Court for the County of Crawford  
Eldon Cessna, Plaintiff,  
vs.  
J.P. Bailey, Defendant.

ORDER TO ANSWER  
At a session of said Court held in the Crawford County Courthouse, County and State aforesaid, on this 19th day of September, A.D. 1977, J.P. Bailey, Defendant, appeared and answered the Complaint of Plaintiff, Eldon Cessna, as follows:

On September 13th, 1977, an action was filed by Eldon Cessna, Plaintiff, against J.P. Bailey, Defendant, in this Court to quiet title to real property situated in the Township of Grayling, County of Crawford, and State of Michigan, to-wit:

The Northwest quarter of the Southwest quarter of Section Twenty-One (21), Town Twenty-Six (26) North, Range Three (3) West, excepting the railroad right-of-way.

It further appearing from the Affidavit of John B. Huss, Attorney at Law, and attorney for the Plaintiff, Eldon Cessna, that the whereabouts of the named Defendant cannot be ascertained and that personal service of process can therefore not be made upon said Defendant.

NOW, THEREFORE, IT IS HEREBY ORDERED that the Defendant, J.P. Bailey, shall answer or take such other action which may be permitted by law on or before December 1, 1977. Failure to comply with this Order will result in a Judgment By Default in favor of the Plaintiff for the relief sought before this Court.

## Bits O' Talk

by Fay Bovee

Earl and Loretta Whaley and family, and Bill and Pat Kuchar-  
ek and family spent Sunday,  
September 25th in Big Rapids  
with Jim and Jeanna Whaley  
who are attending Ferris State.  
They enjoyed a family picnic.

Mr. and Mrs. John Wilson  
from Jackson visited her family  
over the weekend of October  
1st, the Carl Bartells and the  
David Englands.

Mr. and Mrs. Bill Barrus of  
Seattle, Washington visited her  
mother and relatives, Mrs.  
Grover Cox, Nancy Hoffman  
and Bill Cox, and their families,  
the weekend of the 1st.

Mr. and Mrs. Harry Souders  
spent the weekend of the 1st  
with their grandson, Cadet  
Thomas Knutilla, at the United  
States Military Academy at  
West Point in New York. This is  
Tom's 2nd year at the academy.

Mr. and Mrs. Robert Chappel  
of Harper Woods had 2 weeks  
vacation in September at their  
home on the AuSable, on  
Louie's Landing Road, and  
enjoyed cutting the winter wood  
and canning as well as the  
beautiful weather at the time.  
Guests at the Chappels were  
their daughter Judy Zimile and  
her daughter Kimberly, Mr. and  
Mrs. Victor Persikine and child-  
ren - daughter Valerie Jones and  
children, also Mr. and Mrs. Tom  
Miller and many others.

Newlyweds, Mr. and Mrs.  
Chuck Hudson (Kathy Chappel)  
of Detroit, spent 2 weeks at  
their cabin in Grayling after a 2  
week trip out west.

Mr. and Mrs. Jack Kinsora  
and family of St. Clair Shores  
had 2 weeks vacation with their  
mother, Mrs. Ruby Reetz.

For those who would like to  
write to Cadet Mark D. Hanson  
his address has changed to: Co.  
B-2, USMC, Class '79, West  
Point, N. Y. 10997.

The bow season opened with  
a houseful of hunters at the  
Elmer Wilde's. Sons Tom, Ron,  
Ken - all from St. Clair Shores,  
and Lewis who lives at home.  
Also joining them were Jim  
Girard, Beth Salmonowicz (who  
is Ron's fiancée), Kathy Wilde  
(Ken's wife) and two grand-  
children, Eric and Mark. The  
biggest surprise of all was Mrs.  
Wilde's brother, Don Lamkin  
from Jackson.

Mrs. Maxine Barnhart of  
South Lansing drove to St.  
Johns September 24th and met  
her parents, Carl and Arleen  
Doroh. They were then driven to  
her home and all enjoyed a pre-  
birthday supper for Carl. Sun-  
day the Doroh's ate roast beef  
and vegetables at their grand-  
daughter's, Mrs. Susan Kies-  
ling, home in Lansing. The  
vegetables came from Mrs.  
Kiesling's own garden. The  
honored guest was Carl on his  
79th birthday. Maxine made his  
favorite banana cake from  
scratch. Ice cream was served  
with it. Carl received candy and  
gifts. Everyone enjoyed them-  
selves and went for a lovely  
drive.

## Serving With The Navy

Navy Storekeeper Third Class  
Richard A. Wakeley, son of Mr.  
and Mrs. Richard Wakeley of  
Route 3, North Down River  
Road, and whose wife June is  
the daughter of Mr. and Mrs.  
John Hermen, all of Grayling,  
along with Navy Aviation Elec-  
trician's Mate Third Class Bryan  
G. Arntson, son of Mrs. Leone  
M. Duncan of Route 1, Box  
1012, Grayling are participating  
in the major NATO exercise  
"Display Determination."

They are serving as crew-  
members aboard the aircraft  
carrier USS Independence,  
homeported in Norfolk, Va.  
Their ship is deployed to the  
Mediterranean Sea as a unit of  
the U.S. Sixth Fleet.

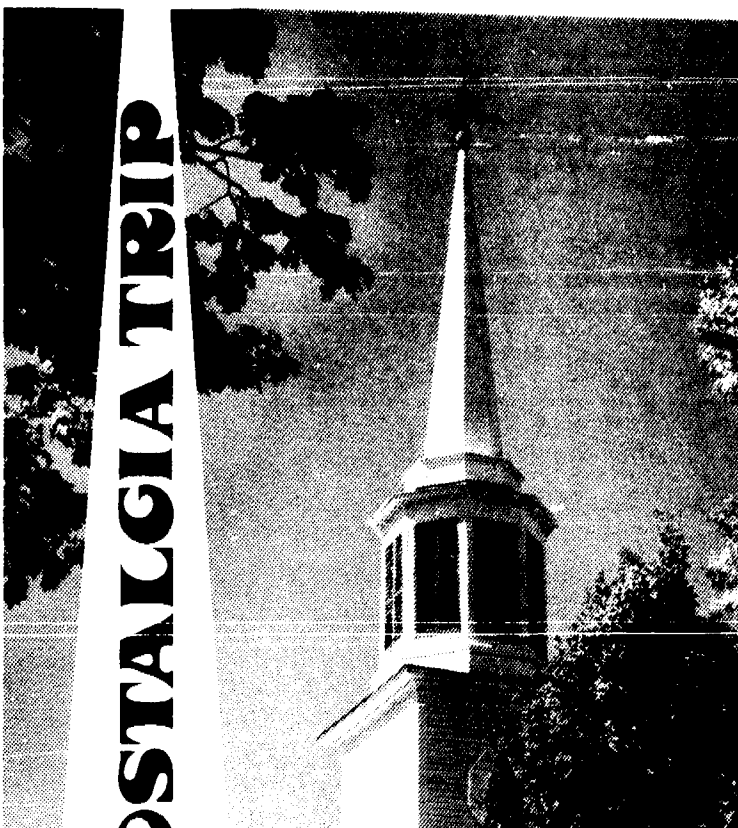

Their command has joined  
naval forces from Portugal,  
Italy, Greece, Turkey, and the  
United Kingdom for the com-  
bined exercise which includes  
convoy operations, amphibious  
assault landings and antisub-  
marine warfare maneuvers.

"Display Determination" is  
designed to train NATO naval  
forces in combined sea opera-  
tions, refine NATO procedures  
and ensure that operational  
plans are current. Participating  
units will test NATO standard-  
ized doctrines, equipment and  
armaments, plus command and  
control procedures for coordi-  
nated action by NATO sea, land  
and air forces.

The operation will evaluate  
allied capability to control Med-  
iterranean sea lanes plus rein-  
force and resupply ground  
forces in Southern Europe.  
Acting as opposing forces,  
NATO units will simulate sur-  
face, subsurface and air attacks  
along the convoy routes. A  
series of amphibious landings  
also are scheduled at Saros  
Bay, Turkey, with follow-on  
exercises continuing ashore.

"Display Determination" is  
one of a series of annual  
operations, conducted each fall  
from Norway to Turkey, de-  
signed to provide unified and  
coordinated training of national  
and NATO forces within the  
Allied European Command.  
Both joined the Navy in 1975.

## Attend the Church of Your Choice

NOSTALGIA TRIP

A church steeple, spearing the sky! What does it do for you?  
All across the country, slender church spires punctuate the  
landscape. To many of us, they are a part of the scenery, like  
autumn foliage, rolling hills and city streets.

To some of us, they bring back memories of childhood. Sun-  
day. Going to church. Something many of us have gotten away  
from.

Yet with or without the church, it still stands, the spire is  
still there. But without any of us those spires would most  
certainly disappear. There would be a void. Do you really want  
this to happen? Something to think about, isn't it? It is certainly  
something to explore.

Scripture selected by  
The American Bible Society.
